The Honorable Bill Bradbury  
Oregon Secretary of State  
136 State Capitol  
Salem, Oregon 97301

Dear Secretary Bradbury,

It was a great pleasure to interact with you yesterday at the State Land Board meeting. Thank you for your interest and attentiveness to the Oregon territorial seafloor mapping issue, and for coming to speak to me after the meeting. Our group of scientists at Oregon State University, as well as the other signatories of the Scientific Consensus Statement for Mapping the Oregon Territorial Seafloor ([http://dusk.geo.orst.edu/3mile/consensus\\_statement.pdf](http://dusk.geo.orst.edu/3mile/consensus_statement.pdf)) will look forward to working with the State Land Board in any way possible on this important effort.

Again, thanks for Tuesday and for your great service to our state (I really love our vote-by-mail system!).

Sincerely,

A handwritten signature in blue ink that reads "Dawn J. Wright".
